# Stripe Payments

- Stripe Billing Portal allows for customers to manage their own subscriptions.

- Stripe Pricing Table is a drop in component to streamline the checkout process for subscription-based SaaS apps.

Auth:
Amazon Cognito

- 50,000 MAUs for free each month
- Highly customizeable
- Fully Managed

```ts
const userPool = new awsCognito.UserPool(scope, `userpool`, {
  userPoolName: `my-userpool`,
  selfSignUpEnabled: true,
  lambdaTriggers: {
    postConfirmation: props.addUserPostConfirmation,
  },
  accountRecovery: awsCognito.AccountRecovery.PHONE_AND_EMAIL,
  userVerification: {
    emailStyle: awsCognito.VerificationEmailStyle.CODE,
  },
  autoVerify: {
    email: true,
  },
  standardAttributes: {
    email: {
      required: true,
      mutable: true,
    },
  },
});
```
